Learn how to start the conversation about the 'birds and the bees' with your children with confidence in this unique and informative workshop so they can grow up to be healthy, happy and safe.

Catherine Evashuk is a Trained Certified Sexual Health Educator, has an M.A. in Teaching and 20 years of ESL classroom experience. Catherine is a parent of two children went to St Giles PPP and who are now in elementary school. She believes that parents should be the educators of sexuality and all that it encompasses. She has given workshops to elementary school children, PACs, PPPs and other parenting groups in the Lower Mainland.
